

Barbara Slitkin Artist Statement

“Barbara Slitkin is the blend of a skilled visual artist, a fun loving performer and a dedicated mystic. She expresses herself in many ways but always comes from a centered and inspired vision. She has much to offer the world and is well on her way to doing just that. Barbara loves New York...” -**Dagen Julty**

Living in New York takes everything you’ve got – all your resources and talent –but the vibration is like no other. We are at a point of chaos. This is a time when people are branching into new forms. Now is a high moment in history. We are pioneers. Artists can set wheels in motion for social change and new thinking. Was there ever a better time than now? -**Barbara Slitkin**
